

The background of the slide is a dark teal color with a complex, abstract network pattern. This pattern is composed of numerous small, light teal circles (nodes) of varying sizes, which are interconnected by thin, light teal lines (edges). The connections form a dense, web-like structure that fills the entire background, with some areas being more densely connected than others.

1. **Plots**

SETTING THINGS UP

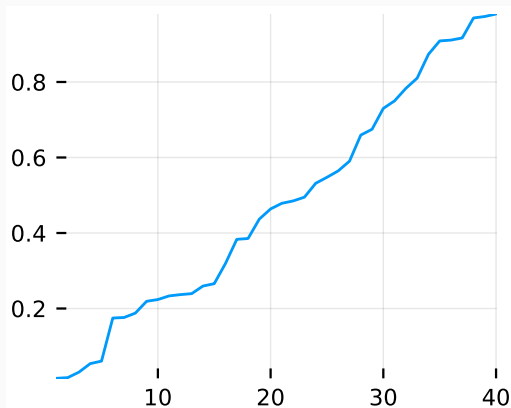

using Plots

pyplot()

Plots.PyPlotBackend()

COLUMNS

```
p1 = plot(  
    # These are the data  
    sort(rand(40)),  
    # This is the plot size  
    size = (250, 200),  
    # We don't want borders  
    frame = :grid,  
    # We don't want a legend  
    leg = false  
);  
savefig(p1, "figures/scatter.pdf");
```

OUTPUT

Pellentesque habitant morbi tristique senectus et netus et malesuada fames ac turpis egestas. Morbi sollicitudin nisi vitae lorem interdum, eget elementum quam elementum. Curabitur quis leo eu metus consequat ultricies. Curabitur sit amet convallis risus. Cras vel arcu id risus efficitur commodo et eget velit. Curabitur consequat eleifend magna, ut ultricies lorem scelerisque eu. Mauris faucibus neque sit amet est elementum, suscipit placerat est interdum. Phasellus sed convallis est. Nunc fermentum convallis odio eget gravida. Duis venenatis dictum tempor.
